# **Vacation Care Incursion Proposal**

2023

## Introduction and Overview

Bricks 4 Kidz® - Brisbane- Springfield is pleased to provide the following Vacation Care Incursion Program. Bricks 4 Kidz® Educational Play Programs provide an extraordinary atmosphere for students to build unique creations, play games and have loads of fun using LEGO® Bricks.

Our programs are built around our proprietary model plans, designed by engineers and architects, with exciting themes.

At Bricks 4 Kidz®, we believe that kids learn best through activities that engage their curiosity and creativity.

Our programs provide safe, relaxed learning environments where initiative is invited and self-expression is celebrated. Model building provides opportunities for problem-solving and helps kids develop an appreciation for how things work. All this takes place whilst kids are having fun and socializing in non-competitive atmospheres.

The following proposal seeks to present customized options for your Vacation Care programs to include our workshops during the school holidays. With more than 2,100 proprietary models and a wide assortment of themes, Bricks 4 Kidz® would be happy to work with you to design a workshop or workshops best suited for your specific needs and requirements.

## Vacation Care Workshop Overview

### Student Profile

Our workshops are designed for Primary School students in Kindergarten through Grade 6. Bricks 4 Kidz® models include a beginner version and a more advanced version as well as extension activities for the most advanced model builders. We actively monitor each student work to make the work both fun and challenging for all levels.

### Content

Each workshop is designed to include a balance of Fun with Learning. We integrate core STEM (Science, Technology, Engineering and Mathematics) content into all our programs. For each option proposed below, we include a short instructional session, model projects to build, a creative project, and free play activities directed around a chosen theme.

### Our Instructors

Bricks 4 Kidz® instructors are individuals who have a great interest and ability in teaching our programs to students in an exciting way. Each instructor is trained in teaching specific lessons involving the themes used in the programs.

All Bricks 4 Kidz® staff over the age of 18 undergo a full police background check and maintain valid Working with Children Checks. We are happy to provide these details on request. Our staff are trained in safety procedures and must adhere to the Bricks 4 Kidz® Child Safe Child Friendly Policy (found on our website).

Bricks 4 Kidz® will provide an Instructor for each workshop. We may at our discretion provide one or two additional Jr. Instructors. This proposal and pricing assume that your Vacation Care staff will provide necessary supervisory assistance throughout.

### Equipment

Bricks 4 Kidz® will provide our proprietary projects kits and model plans for the workshop programs proposed. (Note: Children do not take the models or LEGO® home)

We require tables set up and configured for four workstations (groups of 6 – 10 per table). For groups with 80 or more children, we would recommend splitting into two separate groups with four sets of tables (groups of 6 – 10 per table depending on the group size).

## Vacation Care Incursion Programs

### Program Options

Bricks 4 Kidz® is able to customise our programs to suit a range of suitable time lengths, themes and activities. The below represent some of the options, but we are open to exploring other options to best suit your Vacation Care/School Holiday Program needs and objectives

We are proposing two hour program. Our recommendation based on our experience is for the two hour program as it provides the best mix of activities for the children without rushing the program. Our proposed agenda of activities is outlined as follows:

Two Hour Program A		Two Hour Program B*	
10 min	Welcome, Introduction, Rules	10 min	Welcome, Introduction, Rules
30 min	Station One – Model Build 1	22 min	Station One – Model Build 1
5 min	Clean up and move stations	3 min	Clean up and move stations
30 min	Station Two – Model Build 2	22 min	Station Two – Model Build 2
5 min	Clean up and move stations	3 min	Clean up and move stations
30 min	Station Three – Creative	22 min	Station Three – Creative
10 min	Wrap Up and Clean Up	3 min	Clean up and move stations
Free time Station Four – LEGO® Creative Play		22 min	Station Four – LEGO® Creative Play
		10 min	Wrap Up and Clean Up

### Themes

Bricks 4 Kidz® offers a range of themes. Below is a small sample of what may be most suitable based on our experience with other local councils, but we are also able to adapt program themes to your requirements.

**Angry Birdies and Bad Piglets** *Angry Birds™ is a game about catapulting birds to knock over structures to win points. Experience the thrill of Angry Birds™ by building different birds with LEGO® Bricks in this fun workshop! Kids will build birds, launch them through the air, build racing carts, and more. Examples of models include: Catapult, car, and much more*

**Amusement Park Mayhem** *Get your ticket to ride at the BRICKS 4 KIDZ® amusement park! Kids will build rides, learning how to make things spin, roll, turn and rock. They will take what they have learned to design their own thrills and challenges. Motorised models maximise the action and fun. Each session includes carnival-themed games, group challenges, model building and more. Examples of models include: Tilt-a-whirl, Carousel Swing, and many more*

**Pirates Quest** *Shiver me timbers we explore the popular culture behind the life of a pirate. Experience the fun of building a pirate ship as we batten down the hatches and prepare for mutiny. Beware me mateys, if it's too late, you must abandon ship and build a rowboat to escape. Anchors aweigh! Examples of models include: Fishing Pirate, Swinging Anchor, Sailing Ship, and many others.*

**Super Hero's** *We build Super Heroes with LEGO® bricks. Explore all the caped crusaders and discover their super powers. Create a fantasy world and protect it against all of the evil arch enemies with custom contraptions made with LEGO® bricks. Grab your katanas and nunchucks as we prepare to fight crime. Their wise Japanese rat sensei, Master Splinter. Strengthen your ninjitsu skills to defeat the villainous Shredder and his evil Foot Clan. Let's build and play ... Brick Turtle style!*

**Space Adventures** Inspired by NASA, our Space Adventures program is packed full of models that will make your imagination blast off! Children will learn about real-life space exploration and build models related to the NASA space program. In addition, the program includes LEGO® Star Wars™ themed models, games and more. BRICKS 4 KIDZ® Space Adventure provides the spark for imagination and creativity. Examples of models include: Mars Rover, Lunar Rover, and many more.

## Pricing and Payment

### Assumptions

All programs are run at your premises and our proposal assumes Your staff will assist in supervision of children. You will manage the registration/enrollment process for each attendee. The program will be conducted as either a morning session or afternoon session, between the hours of 9 am and 4 pm and during a week day and non-public holiday. For safety reasons, Bricks 4 Kidz® - Brisbane Springfield cannot accept attendees in our programs who are not currently enrolled in primary school or who are under the age of 5.

Pricing assumes that the maximum enrollment is 90 children to any one program. We assume that you will provide us with sufficient notice on enrollment levels to adequately prepare for each session.

### Payment Terms

Bricks 4 Kidz® will invoice the higher of either the minimum attendees or the actual number of attendees. Bricks 4 Kidz® is not responsible for collection of the fees directly from attendees. All prices are inclusive of GST.

Our payment terms are simple, we require payment in full within 7 days after the invoice is raised for each workshop. If you decide to cancel, we require a two-week notice. If you need to cancel with less than a two-week notice, Bricks 4 Kidz® requires payment in full of the agreed minimum level.

### Pricing

Bricks 4 Kidz® is pleased to offer the following pricing:

Two Hour Program	Two Hour Program
Minimum of 24 + Attendees	Minimum of 30 + Attendees
\$18.95 per attendee + GST	\$18 per attendee + GST

## Thank you!

Thank you for the opportunity to provide this proposal. We hope we've provided you with enough information. If you have any questions or we can provide any further information, please give us a shout!

We Learn! We Build! We Play!
