## OR, BRING YOUR OWN!

Parents are always welcome to bring in their own cold party food, drinks and cake for the children to share after the party activities! There is a small fridge that is available (however, the freezer is not large enough to hold ice cream cakes).

# FOOD OPTIONS FOR PARTIES

If you are arranging for food to be delivered to our Centres, please arrange for it to arrive 45 mins after the party starts so it is ready in time for the celebration! Food delivery is much better than trying to leave the party to pick up the food yourself – no one wants to leave their own child's party.

Please note that no alcohol is permitted in the Centres.

## ALLERGIES INFORMATION

We cannot cater for allergies given that we do not have the relevant health information for all children at our parties and cannot guarantee that your order will be 100% allergen or gluten free. If you know that guests at your party have specific dietary requirements, you will need to supply their food separately.

Subject to law, BRICKS 4 KIDZ will not be liable for any costs, fees, claims, damages, charges whatsoever, including medical and dental costs, if a customer has any adverse reaction (including dental damage) to a product supplied and consumed at a BRICKS 4 KIDZ party.

## CONTACT US!

We always love hearing from people! So if you want to join a workshop, have us host your next birthday party, or just have something to say, give us a SHOUT!
