**... OR BRING
YOUR OWN!**

Parents are always welcome to bring in their own cold party food, drinks and cake for the children to share after the party activities! There is a small fridge that is available (however, the freezer is not large enough to hold ice cream cakes).

If you are arranging for food to be delivered to our Centre, please arrange for it to arrive 45 mins after the party starts so it is ready in time for the celebration! Food delivery is much better than trying to leave the party to pick up the food yourself – no one wants to leave their own child's party.

Please note that no alcohol is permitted in the Centre.
